

Small Diameter Expanding Shaft

The best choice for small diameter applications

Tape and label slitters, coating and laminating machines, and small diameter printing presses require precision machined shafts in smaller lengths and diameters. Converttech Small diameter shafts are available in leaf or lug style in diameters from 7/16 inch to 2.5 inches. A streamlined production process for all Converttech shafts means fast delivery without sacrificing quality. Converttech Small diameter shafts can be delivered in just a few weeks and are the perfect choice for smaller presses and slitters.

Small Diameter Shafts:

- Diameters from 7/16"
- Face lengths to 150"
- Lug or Leaf styles

**Wide or Narrow
we deliver quality FAST**

Fastest lead time in the industry
